

# CHRISTAMORE HOUSE FIGHT NIGHT

Fight Night is Back!

After a long hiatus, Fight Night, an annual fundraiser benefiting Christamore House Family and Community Center will make its return to Indianapolis on Saturday, September 30, 2017 at JW Marriott.

Since hosting the event 6 years ago, more than \$100,000 has been raised to support the programs of Christamore House to improve the lives of children and families in the Haughville community and on the Near Westside and we expect this year to be a knock out.

The last fight night was raved about in Indy and our committee will not disappoint this year. The 2017 Fight Night will feature dinner, and entertainment with the main event being amateur boxing bouts, profiling boxing clubs from around the Midwest including the historic Christamore House Boxing Program, World Beaters.

All proceeds from the event benefit the youth development and family services programs of the Christamore House so your participation is vital.

For over 111 years, Christamore House has been helping families improve their quality of life through programs and services with the help of people like you. Your participation in this event gives children access to high quality education and families the edge they need to create financial stability for generations to come.

The Christamore House Guild is excited at the opportunity to collaborate with the staff of the Christamore House for this unique fundraiser. Fight Night will serve as the Guild's only Fall fundraiser for the year. We look forward to seeing you at the event. In addition, we ask that you also look at the Sponsorship information below and consider participating in the way that best fits with you and your organization's mission and values.

For more information about Christamore House and the programs it provides, visit [www.christamorehouse.org](http://www.christamorehouse.org).

*From the families of the near Westside and all of us here at Christamore House, thank you for considering this request.*
