The Wife Between Us

St. Martin's Press

A twisted and deliciously chilling novel that explores the secret complexities of an enviable marriage, and the dangerous truths we ignore in the name of love.

When you read this book, you will make many assumptions.
You will assume you are reading about a jealous ex-wife.
You will assume she is obsessed with her replacement — a beautiful, younger woman who is about to marry the man they both love.
You will assume the first wife was a disaster and that the husband was well rid of her.
You will assume you know the motives, and the history.
You will assume you know the anatomy of this tangled love triangle.

Assume nothing.

"A twisty, mind-bending novel about marriage and betrayal. A gripping plot and fascinating characters; this book will keep you turning the pages and guessing until the very end. A must-read!" — Lauren Weisberger, *New York Times* bestselling author of *The Devil Wears Prada*
