Christamore House Guild General Meeting

December 3, 2025

President Report- Emily Winters

- Presentation to Latoya! She was so happy and brought to tears with the news. She would like the Senior Center to be her legacy project.
- The Guild is going to pledge a $250,000 donation to the house earmarked for the Senior Center Capital Campaign. Latoya needs 3 million dollars to complete the project. Eli Lilly has pledged 1.5 million dollars but the remainder of the funds need to be pledged by a certain deadline or the Lilly donation will be revoked. Latoya needs approximately $400,000 pledged to reach the 3 million. The Senior center will be the new home for the Seniors who currently gather in the auditorium of the Christamore House. When the Seniors have their new location then Latoya can open up another preschool class at the house. Also, the senior center can be a money generator by renting it out as a center for community events.
- Sponsorship request letter sent out to Guild members. Please check your emails. Let Julie and Robin know of any potential sponsors and they will contact them.
- Shopping event at Green Apple Boutique in Zionsville on December 8th. Please mention the CH and 15% of the purchases will be donated back to the Guild.
- Placement forms will be emailed out in early January. There will be google forms to be completed.

Book & Author- Laura Tobias

- The author unveiling invitation will be sent out by email the 1st week in January.
- A code will be included for active members who have paid their dues.

Christmas at Christamore- Giovanna Burris & SaraBeth Jones

- House decorating today and senior party to follow
- December 17: Kids party for preschoolers and after-school children 2:30
- Adopt-a-preschooler program: 18 children
